Rain & winter jacket

Rain Jacket
AWJ-5601
Sporting an updated fit withsleekquilt lines, the classic Nuptse jacket provides lofty, puffed warmth with deep baffles that are stuffed with 700fill goose down to capture warmth where it counts.

Rain Jacket
AWJ-5602
An update to a classic,this lightweight insulated hoodie hugs the body for a sweaterlike fit and features slim 700fill down chambers that capture and maintain warmth in cooltocold conditions.

Rain Jacket
AWJ-5603
Rely on the outstanding warmthtoweight ratio of this 550-fill insulated, waterproof ski jacket to keep you on the slopes longer exploring the glades and back bowls.
Select alpinespecific features throughout.

Winter Jacket
AWJ-5604
Our classic, coveted Nuptse down jacket is crafted with ample 700fill goose down and redesigned with a sleek, flattering fit. Doublelayer taffeta paneling at shoulders provides added durability from abrasion caused by pack carry. This product contains at least 90% bluesign® approved fabric a standard for environmentally responsible production.

Winter Jacket
AWJ-5605
Explore the city streets withthe substantial warmth of this winter jacket that features a shorter 28.5" length and is insulated with 550fill down protected by a durable, nylon ripstop exterior..

Winter Jacket
AWJ-5606
Battle dropping temperatures on the slopes with a 550 fill down insulated hooded jacket for reliable warmth without weight in cold conditions. The durable ripstop exterior has a DWR (durable water repellent) finish to shed light snowfall.
